Day by day

■ DAY 1

Cairo, Egypt

Arrive in Cairo and check in to the five-star St. Regis, your home for the next four nights.

Arrival Time: Arrive before 3:00 p.m. local time.

Arrival City: Cairo, Egypt

◇ DAY 2

Cairo / Pyramids / Sphinx

Today, after a morning welcome briefing, start by exploring the premier treasure of Egypt—the Pyramids and Sphinx complex in Giza. Learn how the magnificent Pyramid of Cheops was built from over two million blocks of stone and took tens of thousands of workers over twenty years to build. The infamous Sphinx was carved out of a single massive piece of stone and displays the Pharaoh Chefred's head on the body of a lion.

Go inside the Great Pyramid, following the Grand Gallery's narrow passageway to the burial chamber of Cheops. Your Egyptologist will narrate with stories and details, bringing the experience to life, while your Lindblad Expeditions-National Geographic Certified Photography Instructor will be on hand to ensure that perfect photos happen.

Enjoy lunch at a local restaurant before either returning to the St. Regis to relax and enjoy your accommodations or visiting the National Museum of Egyptian Culture where the Royal Mummies are now on display.

Meals included: breakfast, lunch

◇ DAY 3

Cairo / Grand Egyptian Museum and

Saqqara

Egyptian treasures are legendary, and expertly guided visits to the finest collections are essential for a complete experience. This morning, travel to Saqqara to see the Step Pyramid of the pharaoh Zoser, a revolutionary design that initiated the art of pyramid-building. We will also see some of Egypt's most charming wall paintings and reliefs, showing scenes of harvesting, fishing, music-making, and dancing, as well as the elaborate and exquisite mastaba of Mereruka, the largest in Saqqara. While not a royal, Mereruka (or Meri) was, among other things, "Chief Justice and Vizier" to Pharaoh Teti of the Sixth Dynasty, wealthy enough to build such a large and colorful tomb for his afterlife.

After lunch, embark on a mini tour of the highly anticipated Grand Egyptian Museum (GEM) with our expert Egyptologists. Although the museum is not yet fully opened, this pre-opening preview will give you access to the inner Grand Hall—where you will see a 3,200-year-old statue of Ramses II, a column of King Merneptah, and two other Ancient Egyptian Ptolemaic statues; the Grand Staircase lined with ancient statues; and the outer gardens, where you'll take in the museum's stunning architecture and surrounding courtyard—including a hanging obelisk.

This evening, enjoy an exclusive after-hours guided tour of the Museum of Egyptian Antiquities. Discover the museum's expansive collection of ancient marvels—without the crowds—alongside our Egyptologists.

Meals included: breakfast, lunch, dinner

◇ DAY 4

Islamic Cairo

With the guidance of your Egyptologist, who

will share narratives and personal experiences, today welcomes exploration of some of Cairo's most outstanding architecture and monuments to Islam. Atop the Citadel overlooking Cairo sits the commanding Ottoman-era Muhammad Ali Mosque, completed in 1848. Its five domes can be seen throughout the city. Continue to the mosque of Sultan Hassan, built between 1356 and 1363 during the Bahri Mamluk period. Recognized for its size and use of unorthodox architectural elements, the mosque and its madrassa (school attached to a mosque) display some of the best examples of Islamic art in Cairo.

After lunch at a local restaurant, explore the Khan el Khalili bazaar, Egypt's most famous and largest market dating back to the 14th century, for the best taste of Cairo's vibrant and sometimes frantic pace. You can find anything from filigreed silverwork to semiprecious stones, and other souvenirs.

Meals included: breakfast, lunch, dinner

◇ DAY 5

Luxor / Embark Ship

Fly by private charter to Luxor in Upper Egypt, where a visit to the awe-inspiring Karnak Temple is sure to be life changing. For some 2,000 years, 30 pharaohs added their monuments and shrines to this vast temple making it the largest religious building ever constructed. The 134 columns of the great hall create a vast forest of stone towering 70 feet high, and the massive obelisk of Queen Hatshepsut shadows the rear of this masterpiece of human ingenuity. The reliefs and carvings created by some of Ancient Egypt's finest artisans are dramatic.

After Karnak, embark the elegant and privately chartered 42-passenger *Oberoi Philae*, home for the next six nights, in time for lunch. Aboard this recently remodeled steam wheel-style riverboat, you will find your spacious cabin with a French balcony, delightful dining venues, entertainment, a spa, a

pool, public areas offering endless places to watch the Nile, and a friendly and welcoming Egyptian crew offering impeccable service.

Evening is the ideal time to visit Luxor Museum, which is beautifully lit and home to some of Egypt's finest statuary, including the mummies of Ahmos I and Ramesses I.

Meals included: breakfast, lunch, dinner

◇ DAY 6

Dendera / Luxor Temple

Please note that we will drive via motorcoaches between Luxor and Dendera Temple if our arrival coincides with low water and cruise this section of the Nile during high water times.

Start the day enjoying the remote temple of Dendera. Constructed during the time of Roman emperors, hundreds of years of black soot were delicately removed to reveal stunning artwork beneath and reliefs on the temple walls depicting Empress Cleopatra.

Next, is the exquisite Luxor Temple guarded by its massive statues of Ramses II. This temple has been a place of worship for millennia. Its magnificent pylons, columns, and statues are also an excellent site to visit after sunset, illuminated with magical lighting.

After dinner onboard, venture into Luxor for an opportunity to leisurely enjoy the evening in this ancient city on the east bank of the Nile.

Meals included: lunch, dinner, breakfast

◇ DAY 7

West Bank

Journey to the West Bank of the Nile and the famed Valley of the Kings, the burial ground for hundreds of years of Egypt's greatest pharaohs. Explore and

photograph the tombs of Set 1 and Tutankhamun. Then visit the Valley of the Queens and the most legendary tomb of them all, that of Nefertari*. Vivid paintings depict the queen's renowned beauty and her journey to the afterlife in exquisite color and quality found nowhere else in Egypt. See the temple of Hatshepsut, dramatically set beneath sandstone cliffs.

Have lunch on board and spend the afternoon traversing the magnificent Nile and marveling at the rich and verdant riverbanks that have sustained life here for thousands of years. The *Oberoi Philae* offers luxurious space and ample viewpoints to watch life and history as it goes by. Whether ensuite, with friends in the lounge, or on the top deck, today will offer connection to people and place.

In the evening, presentations and recaps from the Egyptologists and Lindblad Expeditions-National Geographic Certified Photo Instructor are scheduled as the ship passes through the lock before an elegant dinner is served. Overnight in Esna.

*Note: The tomb of Nefertari is temporarily closed for renovations. In the meantime, we will instead visit the spectacular Ramesseum, the funerary temple of Ramses II.

Meals included: breakfast, lunch, dinner

◇ DAY 8

Esna

From the ship, walk to the nearby Temple of Khnum in the town of Esna. This temple has not been fully excavated, and your Egyptologist explains how silt from centuries of the Nile's annual floods buried the temple, which sits about nine meters below river level.

As you walk back to the ship through Esna, take a moment to talk to locals and learn about Egyptian small-town life. Relax on board, dive into the ship's library of Egyptian history, or take a cool swim in the

ship's pool. Overnight in Kom Ombo, just under the riverside temple.

Meals included: breakfast, lunch, dinner

◇ DAY 9

Kom Ombo / Aswan

Set strikingly on a hill overlooking the Nile and dedicated to two gods, hawk-headed Haroeris and crocodile-headed Sobek, the Kom Ombo Temple, built during the Ptolemaic era, is richly decorated, and has a hieroglyphic calendar.

After a visit to Kom Ombo, board the ship and stay on deck as it approaches Aswan, a gloriously impactful spot on the Nile, backed by hills and granite rocks protruding from the riverbed and framed with sailboats (called *feluccas*) plying the water. Aswan is just downstream of the northernmost Nile cataract, historically making it a frontier town and trading center with Nubia.

In the afternoon, visit the fine Nubian Museum. End the day with High Tea at the legendary Old Cataract Hotel, from where commanding views of the Nile and Elephantine Island are sure to excite. A Nubian cultural show onboard *Oberoi Philae* rounds out the day.

Meals included: breakfast, lunch, dinner

◇ DAY 10

Aswan

This morning, visit the lovely Temple of Isis on the island of Philae, from which the *Oberoi Philae* gets its name. Like Abu Simbel, the Temple of Isis would have been lost to the floods caused by the building of the High Dam if not painstakingly dismantled, moved and reconstructed at its present location.

Visit a granite quarry to learn how massive obelisks—tall, four-sided narrow pillars that end in a pyramidal top used as monuments—were carefully cut from solid rock transported down the Nile.

The afternoon takes a different direction as you relax and enjoy a sail on a traditional felucca or wooden sailboat as the Nubian crew sing local songs and highlight the beauty of the shallow and jutting rocky cataracts of the Nile in the afternoon light.

Meals included: lunch, dinner, breakfast

◇ DAY 11

Disembark Ship / Abu Simbel / Cairo

A private plane awaits you after disembarking *Oberoi Philae* to fly you to southern Nubia and the remarkable site of Abu Simbel. Sitting on a sunbaked island in the azure waters of Lake Nasser, you'll find two temples here. One large, dedicated to Ramses II's victory at Kadesh, and one small, dedicated to his beloved Queen Nefertari. Constructed in the mid-13th century BC, Abu Simbel was excavated from the sand in 1817. The temples were moved painstakingly piece-by-piece to where it sits today to avoid being lost again to the creation of modern Lake Nasser.

After lunch, reboard the chartered plane for the flight back to Cairo and check in at the 5-Star InterContinental Citystars Hotel. In the evening enjoy a final dinner with the group.

Meals included: breakfast, lunch, dinner

■ DAY 12

Cairo

Following your last night in Egypt, have breakfast at the InterContinental and take a transfer to the airport for your flight home.

***Oberoi Philae* is a luxurious riverboat that was extensively reconfigured in 2015, with floor-to-ceiling windows that provide unforgettable views of the Nile.**

A voyage along the Nile is the centerpiece of your journey through Egypt. There are few, if any, ships that can match the elegance, ideal size, and graciousness of the *Oberoi Philae*. Originally built for 100 guests, it was remodeled and reconfigured to accommodate 42 in her peerless style.

Built in 1996, she was extensively reconfigured in 2015 with just 22 cabins and luxurious amenities, including an Oberoi spa. Windows are nearly floor to ceiling and slide open, offering a connection with the river. The topmost deck has a swimming pool that is the largest of any Nile ship and an alfresco restaurant. Downstairs, there's a stylish enclosed restaurant serving local specialties as well as more continental options.

The heart of the ship is the lounge, where everyone aboard gathers each night for Recap. It's here that Egyptologists, who have worked with Lindblad for decades, share stories of the sites, who built them and why, and fascinating modern details like how they've changed over the years. And it's these sites and stories, and this time to relax between exploring places of antiquity, that make this expedition, and this ship, so special.
