DAY 1

Quito or Guayaquil, Ecuador

We meet you on arrival in Ecuador, either in Quito, Ecuador’s capital city in the Andes, or in the coastal city of Guayaquil, for an included transfer to your convenient hotel for an overnight stay. Both cities are well-served by international carriers, and Galapagos flights start and end in Quito with a stop in Guayaquil. Guests in Guayaquil stay at the locally owed Hotel Oro Verde and have the choice of several hotels in Quito, including a convenient airport hotel. You may opt for a pre-voyage extension to [Mashpi Reserve](#) in the tropical Andes outside Quito, a biodiversity hotspot. Or choose to reserve [additional hotel nights](#) and tours in Quito or Guayaquil.

Arrival Time: Anytime.

Arrival City: Guayaquil or Quito, Ecuador

◇

DAY 2

Guayaquil / Galápagos Islands / Embark Ship

This morning, fly to the Galápagos and board *National Geographic Endeavour II*. After lunch, we begin our exploration of the islands and their remarkable wildlife.

Meals included: breakfast, lunch, dinner

◇

DAYS 3-8

Exploring the Galápagos Islands

Listed below is a sample of islands we may visit during our expedition. All ship itineraries are subject to Galápagos National Park regulations.

North Seymour: Follow coastal trails past playful Galápagos sea lions on this wildlife-rich central

island. Continue inland through a silvery forest of endemic palo santo trees, where frigatebirds nest, blue-footed boobies dance, and where we may also encounter prehistoric-looking land iguanas feeding on cactus.

Isabela: Cross the Equator at Volcán Ecuador, northernmost of Isabela’s six great shield volcanoes. Keep an eye open for whales and dolphins, sea turtles and the elusive ocean sunfish. Over two days, land in the footsteps of Darwin and Melville, and look for wildlife along the wildly eroded volcanic shore.

Fernandina: One of the most active oceanic volcanoes in the world, Fernandina is the youngest and most pristine island in Galápagos—and home to the strange flightless cormorant, Galápagos penguins and the largest marine iguanas. Hikes ashore lead across impressive recent lava flows.

Española: See swallow-tailed gulls, Española mockingbirds, Nazca boobies and, seasonally, the world’s only population of waved albatross at this birdy paradise, also home to vividly colored marine iguanas. Watch sea lions on the wide sand beach, and snorkel offshore, at Gardner Bay.

Floreana: Follow a trail past a rose pink-tinted lagoon frequented by flamingos. Snorkel among sea lions and abundant fish, or cruise along Champion Islet by Zodiac. Visit the famous barrel at Post Office Bay.

Santa Cruz: Visit Puerto Ayora, the largest town and headquarters of both the Galápagos National Park and Charles Darwin Research Station. See the monument to Lonesome George, and tour the giant tortoise breeding corrals. See the giant tortoises roaming in the wild in the lush, green highlands.

Bartolomé: Climb the steps to the summit of this

300-foot volcanic wonderland for stunning views. Explore, swim and snorkel from the beach. You might even see Galápagos penguins, one of world's rarest.

Santiago: Explore tide pools and look for fur seals sheltered in quiet grottos of black basalt. Swim, snorkel, kayak and paddleboard along Santiago's spectacular coast, and explore an enchanting coastal forest where Charles Darwin once walked.

Genovesa: Sail across the Equator to the remote northern realm of the Galápagos, surrounded by warmer tropical waters.

San Cristobal: Search for red-footed boobies and the endemic mockingbird and lava lizard—found only on this easternmost island, and dig your toes into the powdery white sand at a gorgeous beach fronted by iconic Kicker Rock. Explore Baquerizo Moreno, where sea lions thrive in the middle of town.

Meals included: breakfast, lunch, dinner

◇ DAY 9

Galápagos Islands / Disembark Ship / Guayaquil / Lima, Peru

Depart Galápagos this morning and fly to Lima, Peru, via Guayaquil. Check into the Belmond Miraflores Park, set on a wide promenade overlooking the Pacific, where we spend two nights.

Meals included: breakfast, lunch

◇ DAY 10

Lima

Explore World Heritage-designated colonial Lima this morning, where we stroll the Plaza Mayor and delight in a private welcome lunch with a special musical presentation at Casa Aliaga, one of the oldest houses in Lima. Then visit the extraordinary Larco Museum dedicated to pre-Columbian art.

Return to our hotel with dinner on your own to sample local fare.

Meals included: breakfast, lunch

◇ DAY 11

Lima / Cusco / Sacred Valley

Board a short scenic flight to Cusco this morning, and continue to Moray—a visually stunning Inca site with dramatic agricultural terraces in the heart of the fabled and fertile Urubamba Valley. After lunch and an opportunity to experience a local market, check into our hotel. Sol y Luna, a Relais & Châteaux property, is where we stay in individual casitas set in verdant greens.

Meals included: breakfast, lunch, dinner

◇ DAY 12

Sacred Valley

Spend the day exploring the archaeological sites and culture of the Sacred Valley in the company of National Geographic expert Peter Frost (or a colleague), who has lived and worked in Peru for decades. He or a colleague joins us for a talk at our hotel and a visit to the massive Inca stone fortress of Ollantaytambo, set above a thriving Inca community. Lunch is at a working, family-owned hacienda, where we are treated to a show of Peruvian Paso horses, and National Geographic grantee Nilda Callañaupa, founder of *El Centro de Textiles Tradicionales de Cusco*, demonstrates Inca weaving traditions.

Meals included: breakfast, lunch, dinner

◇ DAY 13

Sacred Valley / Machu Picchu

Marvel at the dramatic scenery and life along the river en route this morning by train to Machu Picchu, the Inca royal retreat famously introduced to the world by Hiram Bingham in the April 1913 issue of *National Geographic* magazine. Check-in at

the historic 31-room Belmond Sanctuary Lodge, adjacent to the World Heritage site, with the leisure to explore over two days in the company of our hand-picked tour director and local guides. Lunch and dinner at the hotel.

Meals included: breakfast, lunch, dinner

◇ DAY 14

Machu Picchu / Cusco

Awaken this morning at Machu Picchu, where our local and veteran guides share their intimate understanding of this site, focusing on the history and far-reaching cultural influence. After lunch, return by train and bus to Cusco—the center of the Inca universe, a burgeoning cultural capital, and a UNESCO World Heritage site. Check-in at the Belmond Hotel Monasterio on Plaza Nazarenas in the heart of Cusco for two nights. Occupying a monastery founded in 1592, our hotel—like much of colonial Cusco—is built atop Inca stones.

Meals included: breakfast, lunch, dinner

◇ DAY 15

Cusco

Explore the magnificently ornate 17th-century cathedral, sacred Inca Temple of the Sun, and other treasures of Cusco. Visit nearby Sacsayhuamán, where a series of imposing terrace walls, the most impressive yet, command views over the city. Relax, shop, or visit one of Cusco's many churches and museums this afternoon. Dinner is on your own tonight.

Meals included: breakfast, lunch

■ DAY 16

Cusco / Lima

After breakfast and a final morning at leisure, say goodbye to the Land of the Inca and fly from Cusco back to Lima, connecting to flights home.

Depending on your flight schedule, optional rooms at the Wyndham Costa del Sol Lima Airport Hotel are available, or join our [Upper Amazon Expedition aboard *Delfin II*](#).

Departure Time: Depart after 7:00 p.m. local time.

Departure City: Lima, Peru

Meals included: breakfast, lunch

Our latest and most family-friendly ship, the *National Geographic Endeavour II* is exceptionally nimble and maneuverable.

Born in the cold waters of Patagonia, *National Geographic Endeavour II* was built for heavy seas. Now, permanently stationed in Galápagos, she comfortably sails the Equator.

A floor-to-ceiling rebuild when she repositioned to the tropics meant she could be crafted to perfectly accommodate the Lindblad style of travel. Where she previously carried 136 passengers, she now accommodates just 96 guests in 52 thoughtfully appointed cabins. She is exceptionally nimble and maneuverable,

with a shallow draft to get up close, great viewing from all public spaces, an expansive open-air observation deck, large windows in cabins and suites, and state-of-the-art tools for exploration including a glass-bottom boat, underwater cameras, video microscope, plus kayaks and stand-up paddleboards.

She replaced the beloved *National Geographic Endeavour*, which donated much of her artwork and her great spirit of camaraderie. Guests have described being aboard *National Geographic Endeavour II* as feeling like a cross between a grand floating hotel and scientific research vessel. She is beyond comfortable, and welcoming to solos, groups, and kids of all ages, and equipped for the up-close and personal explorations that makes Galápagos the trip of a lifetime.

Welcome aboard. From your first sight of the art to the left of the reception desk (part of the pioneering polar art exhibit, *Change*, installed onboard) to the sleek lines and calming neutrals, you can feel the rigors of travel drop away. Ahead: only supreme comfort and the exhilaration of discovery.
