Both cities are well-served by international carriers, and Galapagos flights start and end in Quito with a stop in Guayaquil. Guests in Guayaquil stay at the Hotel del Parque, a 44-room Relais & Châteaux hotel set along the river in lush tropical gardens. And in Quito guests have the choice of several hotels including a convenient airport hotel. You may opt to reserve [additional hotel nights](#) and tours in Quito or Guayaquil.

Arrival Time: Anytime.

◇ DAY 2

Quito or Guayaquil / Galápagos Islands / Embark Ship

Fly to Baltra in the center of Galápagos, a little world unto itself in the Tropical Pacific. We are welcomed by our naturalist staff and start exploring the islands.

Meals included: breakfast, lunch, dinner

◇ DAYS 3-6

Galápagos Islands

Listed below is a sample of islands we may visit during our expedition. Our expeditions begin and end at Baltra and include visits to Isla Santa Cruz and a careful selection of diverse islands. No two days are alike. Each of our itineraries offers an optimal balance of wildlife, landscapes, and experiences. All ship itineraries are subject to

Galápagos National Park regulations.

North Seymour: Look for nesting frigatebirds, plus land and marine iguanas, and enjoy a beautiful coastal walk.

Santa Cruz: Head to the lush, green highlands to look for giant tortoises roaming in the wild.

Isabela: Toast crossing the Equator at Volcán Ecuador, northernmost of Isabela's six great shield volcanoes. Keep an eye open for whales and dolphins as we ply these nutrient-rich waters, once the haunt of whalers and pirates.

Fernandina: One of the most active oceanic volcanoes in the world, Fernandina is the youngest and most pristine island in Galápagos—and home to the strange flightless cormorant and the largest marine iguanas.

San Cristóbal: Search for red-footed boobies and the endemic mockingbird and lava lizard—found only on this easternmost island.

Española: Located in the extreme southeast of the archipelago, this island is home to swallow-tailed gulls, Española mockingbirds, Nazca boobies, and seasonally, the world's only population of waved albatrosses at Punta Suárez.

Floreana: Follow a trail past a rose pink-tinted lagoon frequented by flamingos. Snorkel among sea lions and abundant fish, or cruise along Champion Islet by Zodiac. Visit the famous wooden barrel at Post Office Bay, and learn about its unusual postal system.

Meals included: lunch, breakfast, dinner

◇ DAY 7

Contributing to the fully immersive Ecuadorian experience on board are Ecuadorian staff and locally sourced and sustainable farm-to-table and ocean-to-table culinary ingredients, as well as artisan spa elements and handcrafted textiles, art, and décor all regionally created.

An authentic, immersive experience in the Galàpagos

The *National Geographic Islander II* celebrates Lindblad's deep connection to the islands, Ecuador, and its people with a deeply immersive and truly unique Ecuadorian cultural experience. The carefully considered food and beverage program highlights the four regions of Ecuador with locally sourced farm-to-table ingredients. Regional ingredients can even be found in spa products.
